SENATOR IN INDIA

Modi Senator is a joint venture Group of Companies' which has strong between 'Senator Germany' and 'Modi presence of Revlon, Win Medicare, Modi Mundi Pharma, Modi Sugar and many other ventures in India and International market.

Our strong position in the international market is based on our key areas- Innovation and competitive product ideas and investment in efficient technologies. You will not only find products of unmistakable design and quality but also ideas to communicate to various target audience profiles.

Our range offers products supporting every image and budget, from economical gifts to high quality personalized items. Our capability to customize a writing instrument by means of photo realistic imprints or a 360 degree wrap around printing provides an opportunity to create a very personal promotional item.

Our product range is exclusively for Brand Promotion and Product Promotion which gives our products exclusivity and an edge over our competitors.

SENATOR - TRADITION AND FUTURE

SENATOR

Senator has been providing stand-out concepts to the promotional products market for more than 90 years. Reinforcing the mission statement of the founder, Friedrich Merz, which is to develop ideas and products that have real stand-out, Senator has challenged the market with innovations, again and again. Today, a firmly defined value system provides the basis for Senator's corporate strategy:

- **Innovation: Unique, Patented Designs and Concepts “Made in Germany”**
- **High Quality: Long-lasting Qualitative Products and Imprints**
- **Competencies: Endless Options For Customization For a Truly Tailored Promotional Solution**

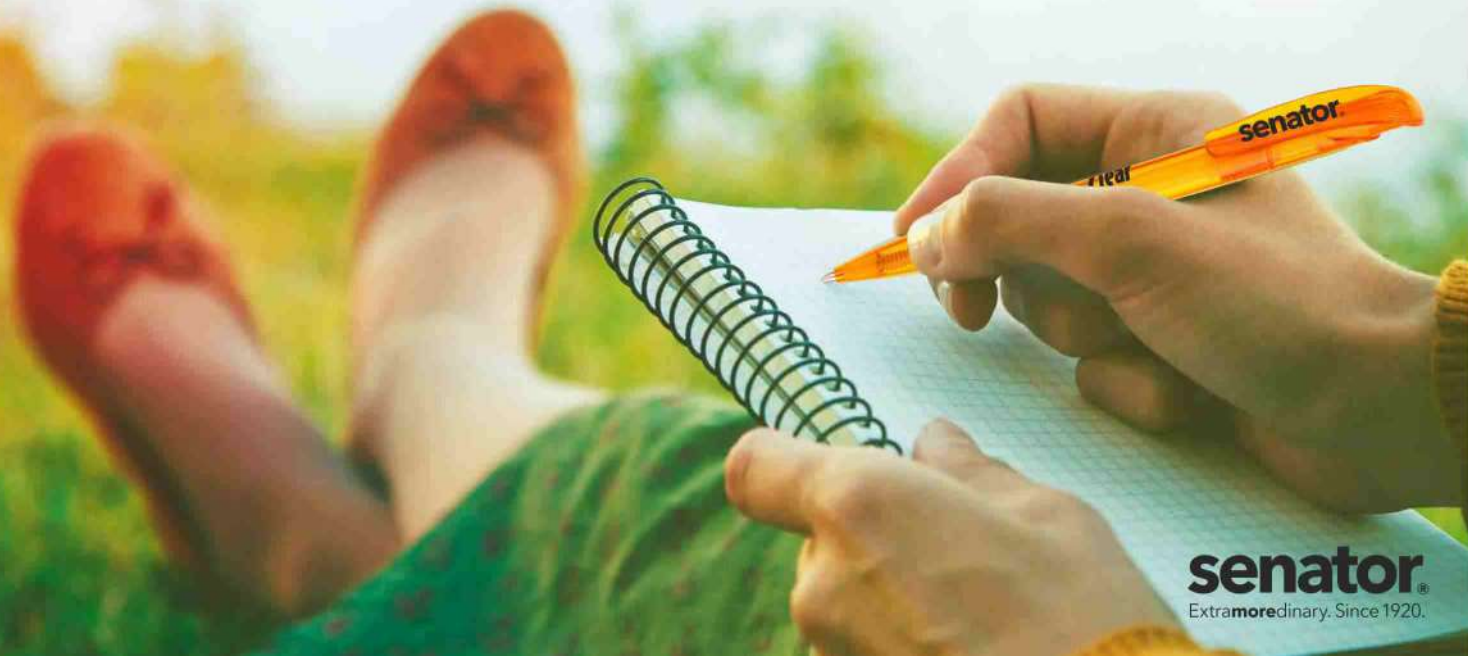

This results in high quality advertising media, providing the optimum platform for brand communication and extending the effect of the product and brand message by adding real value.

The central component of Senator's corporate strategy is a careful blend of ecology and economic efficiency. This was reinforced by an ISO 14001 international environmental management standard in 2012.

As an ISO-9001 certified company, a member of the worldwide 'Business Social Compliance Initiative' (BSCI) and a comprehensive in-house CSR Program (Corporate Social Responsibility), Senator not only delivers proven quality, but also has a strong commitment to responsibility for people and the environment.
